CITY OF CHICAGO

LORI E. LIGHTFOOT
MAYOR

June 24, 2020

Dear Friends:

On behalf of the City of Chicago, I am honored to welcome all those gathered for Global Knowledge Academics' 9th International Congress on Education and Learning.

Since its founding, Global Knowledge Academics has worked to create a community of researchers dedicated to discussing a wide range of academic disciplines. This year's Congress, themed "Education in the Context of Global Migration," will bring together academics and researchers from around the world to network, learn, and inspire. With a full schedule of keynote speakers, presentations, and networking sessions, attendees will have the tools and resources needed to come up with innovative solutions to providing educational programs and services to migrant children around the world. I commend the Global Knowledge Academics for their ongoing dedication to furthering education.

I hope that during your stay in Chicago you take the time to see all the City has to offer. Explore our downtown and lakefront areas, tour the vibrant neighborhoods across our city, sample our diverse cuisine, visit our distinguished universities, and our world-class museums.

I hope your event is enjoyable and memorable. Best wishes for continued success.

Sincerely,

A handwritten signature in blue ink that reads "Lori E. Lightfoot".
